## St Michael's Matters

**A note from Mr Hirani** - We have had a break in our communications systems due to an external malfunction with the BT system this week. This has led to a loss of the internet, our phone systems and access to internal resources. We understand that it has been frustrating for those that have been trying to communicate with school, it has been equally frustrating for all our school systems from office functionality to classroom practice as we rely so much on our ability to access the web and internal sources of data.

Thank you to all staff and parents for persevering this week as it has been a different kind of challenge to the ones we have been accustomed to. We hope that normal service is resumed soon. In the meantime, if you need to contact anyone in the office, please email [stmichaels.secretary@celticcross.education](mailto:stmichaels.secretary@celticcross.education) or call 07731842640. Thank you.

**Lantern Parade** - The St Piran's Day lantern parade was amazing and quite spectacular. Thank you to all who participated in this wonderful community event. The organisers were very delighted with the community response and are seeking to make it an annual event. We were very proud of our participation and the amazing turnout. The lanterns were exceptional! Well done to everybody involved.

### Comic Relief

The children had a fantastic day raising money for comic relief. Thank you to everyone for making it an other successful red nose day.

### Flora Day 2022

Thank you for completing and returning all Flora Day forms for this year. Mrs John will now finalise partners/sets and inform the children before the Easter holiday.
