What is Parent View?

Parent View is an online questionnaire for parents and carers to share their views about their child's school with Ofsted. It was launched in October 2011. Since January 2012, Ofsted has used the information collected through the questionnaire to make decisions about which schools to inspect and when. Inspectors look at Parent View results alongside the traditional paper-based school questionnaires at the point of inspection. **PLEASE RECORD YOUR VIEWS**

MATTERS TO BE DISCUSSED AT FORUM

- ASSESSMENT
- ***THE SPACE***
(NEW OUTDOOR AREA)
- ***P.T.A***
- ***READING***

Two major changes have affected how
schools assess and track children's
achievement:

- a) a new National Curriculum in
September 2015, which abolished
a national system of assessment
linked to levels, and left schools
free to choose their own
approaches to assessment based
on key assessment criteria from
the programmes of study for each
year group;
- b) new arrangements for end of KS1
and KS2 statutory assessment from
2016, with new tests and new
performance descriptors for
teacher assessment.

PUPIL PREMIUM

- ❖ Family Learning Maths 10 week course has started
 - ❖ 1:1 reading in place in the infants
 - ❖ FunFit has begun at the end of the day

BRITISH VALUES

The DfE have stated that there is a need "to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs." (see new British values policy)

All year groups/classrooms now have British values displays
