### **What is Parent View?**

Parent View is an online questionnaire for parents and carers to share their views about their child's school with Ofsted. It was launched in October 2011. Since January 2012, Ofsted has used the information collected through the questionnaire to make decisions about which schools to inspect and when. Inspectors look at Parent View results alongside the traditional paper-based school questionnaires at the point of inspection. **PLEASE RECORD YOUR VIEWS**

## MATHLETICS IS IT BEING USED?

Our school provides a milk scheme that is available to all of our pupils. This is available at a subsidised price of around £15 a term. Each pupil that registers with Cool Milk will receive a carton of semi-skimmed milk every day, which is delivered fresh and chilled to the classroom.

- Complete a registration form or register at [www.coolmilk.com](http://www.coolmilk.com) as soon as possible. Shortly after registering you will receive a payment request.
- You can pay Cool Milk either online, over the phone, at a local PayPoint or by cheque in half-termly, termly or annual instalments.
- Please pay by a Tuesday 5pm for your child's milk to start the following week.

If you have any questions regarding school milk please visit [www.coolmilk.com](http://www.coolmilk.com) or contact Cool Milk directly on 0844 854 2913. More information on milk is also available from the school.

## BRITISH VALUES

The DfE have stated that there is a need "to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs." (see new British values policy)

All year groups/classrooms now have British values displays
